Call of possible board members

There are currently two open seats on the ECHDO board. Please contact us if you are interested to join the board. Please note that at the time being, ECHDO does not have the possibility to pay travelling costs or other expenses, so the representatives' own organisation or individuals need to fund travelling and lodging expenses to attend meetings.

Bursaries

Also this year we have availabilities for AGM bursaries. If the representative of your organization would like to attend the AGM, but cannot afford the costs, please send us your application, and the board will evaluate your request.

Given our current budget, we can allocate a total of 1 000 euros for bursaries (5 bursaries of 200 euros each). If you would like to apply for a bursary, proof of economic adversity would be appreciated. Please note that the bursaries can be applied only by the active members of ECHDO.

The board will finalise decision on bursary applications by the end of January 2020.
