

REGISTER NOW! Visit Rotterdam, the top 10 city in Lonely Planet's Best in Travel 2016

The working group on **Psychosocial Care from Fetus to Adult of the AEPC** has the pleasure to invite you to their biannual meeting, **March 16-18, 2016, Rotterdam, The Netherlands.**

Conference

The conference is an important platform for pediatric cardiologists, psychologists, nurses, and other health care professionals and international patient and parent organizations in the field of congenital cardiology. This multidisciplinary meeting offers ample opportunity for interactive exchange of new insights and share perspective on needs for the future in clinical practice and scientific research regarding psychosocial aspects of congenital heart disease in all age groups.

Included are keynote lectures by leading international experts, amongst whom: **prof. Brad Marino, Chicago, USA.**
